非主要农作物品种登记证书式样

The image shows a registration certificate form for non-main crop varieties. The form is enclosed in a decorative border with floral motifs at the corners. The title '非主要农作物品种 登记证书' is centered at the top in red. Below the title, there are several fields for registration information, each with a label and a corresponding line for text entry. A large, intricate watermark is visible in the background of the form. At the bottom, there are fields for the announcement number, the date (year, month, and day), and the certificate number.
